quality of your skin!

Mineral Mask, which can be used on any part of the body, helps draw out impurities and calm your skin. It can be added to virtually any other skin care program or used with Unicity's Be line of skin care products to help your face maintain optimal moisture levels, feel smooth and tight with a natural glow, and feel fresh and soft. You'll love the difference Mineral Mask makes in the

BENEFITS

- Helps balance the skin and draw out impurities
- Promotes a youthful glow
- Helps to firm and tighten facial contours

RECOMMENDED USE

Mix contents of 1 sachet with 1.5 to 2 teaspoon (up to 10ml) of water to create a paste. Very amount of water to achieve desired consistency. Apply to clean, dry skin on the face, neck and chest, avoiding eye and mouth areas. May also be applied to the body. Relax for about 15 minutes while the mask dries. Gently remove with tepid water and facial cloth.

INGREDIENTS

Exclusive desert minerals.
